

Lifeline and Affordable Connectivity Program (ACP) Enrollment Applications

Lifeline and the Affordable Connectivity Program (ACP) are separate programs. Lifeline benefits may be combined with ACP benefits and applied to the same service plan. You may also apply Lifeline and ACP benefits to different service plans. You do not need to enroll in Lifeline in order to enroll in ACP and you do not need to enroll in ACP in order to enroll in Lifeline. You may choose to get Lifeline and ACP services from different service providers. You may transfer your Lifeline and ACP services to another provider subject to certain regulatory restrictions.

Completion of this form is required. This form is used for the purpose of verifying your eligibility for and enrolling you in Lifeline and ACP benefits and an eligible Access Wireless service plan and will not be used for any other purpose. Lifeline and ACP benefits are subject to verification of eligibility by Access Wireless and the National Verifier.

If you wish to enroll in only Lifeline or only the ACP with Access Wireless, you may do so by using either the separate Lifeline Enrollment Application or ACP Enrollment Application.

Lifeline and ACP services are subject to availability and Access Wireless's Terms and Conditions and Policies available at www.AccessWireless.com.

Service activation and usage requirement:

Access Wireless service is a prepaid service offered by the company to subscribers eligible for Lifeline and/or ACP discount benefits in states where it is authorized to do so. To maintain your service and benefits, you must personally activate the service by placing a call, initiating data usage, or by responding to instructions from Access Wireless to activate the service. To keep your account active, you must use the service at least once during any 30-day period by completing an outbound call, sending a text message, using cellular data, purchasing additional service from Access Wireless, answering an in-bound call from someone other than Access Wireless, or by responding to a direct contact from Access Wireless confirming that you want to continue receiving service from Access Wireless. If your service goes unused for 30 days, you will no longer be eligible for Lifeline or ACP benefits (or both, if you choose to apply both benefits to the same service) and your service may be suspended (allowing only 911 calls and calls to the Access Wireless's customer care center) subject to a 15-day cure period during which you must use the service (as described above) in order to fully re-activate your service, keep your telephone number and remain enrolled in Lifeline and ACP, as applicable.

☒ I hereby certify that I have read and understood the disclosures listed above regarding activation and usage requirements.

Lifeline Application, Disclosures, Authorizations and Certifications

Lifeline is a government benefit program operated by the Federal Communications Commission (FCC) that provides discounts on monthly broadband Internet access service and/or voice service. For more information about Lifeline and program eligibility requirements, call us at 1-866-594-3644 or visit www.AccessWireless.com/lifeline.

Willfully making false statements to obtain the benefit can result in fines, imprisonment, de-enrollment or being barred from the Lifeline program.

Only one Lifeline benefit is available per household. A household is not permitted to receive discounted Lifeline services from multiple providers. A household is defined, for purposes of the Lifeline program, as any individual or group of individuals who live together at the same address and share income and expenses. Violation of the one-per-household limitation constitutes a violation of the FCC's rules and will result in you being de-enrolled from the Lifeline program.

Lifeline discount benefits are not transferrable to other households or persons.

Eligibility for Lifeline is determined by the National Verifier and National Lifeline Accountability Database, administered by the Universal Service Administrative Company (USAC), or an alternative verification process approved by the FCC.

ACP Disclosures, Authorizations and Certifications

The Affordable Connectivity Program (ACP) is a government benefit program operated by the Federal Communications Commission (FCC) that provides discounts on monthly broadband Internet access service and certain connected devices. For more information about the ACP and program eligibility requirements, call us at 1-866-594-3644 or visit www.AccessWireless.com/acp.

Willfully making false statements to obtain the benefit can result in fines, imprisonment, de-enrollment or being barred from the program.

ACP benefits may be obtained from any participating provider of your choosing and your monthly service benefit may be transferred to another provider no more than once in a service month.

ACP discounts can be applied to any available Access Wireless service plans at the same terms available to households that are not eligible for ACP supported services. Upload/download speeds will be determined by your particular service plan, and other factors, including your device, network availability from our underlying carrier, your proximity to cellular towers, and environmental factors may affect speeds, as described in our Broadband Transparency Disclosure at www.AccessWireless.com. A complete listing of our plans, including plans that are fully covered (no co-pay after application of the ACP discount), is available at www.AccessWireless.com/acp/plans.

Access Wireless's complete Terms and Conditions, including the Acceptable Use Policy, Privacy Policy and ACP Terms and Conditions, apply and are available at www.AccessWireless.com.

ACP monthly service and one-time device discounts are not transferrable to other households or individuals.

An eligible household is limited to one monthly service discount and a single one-time device discount.

An eligible household does not have to purchase an ACP discounted connected device in order to enroll in the ACP and receive monthly service discounts. Devices available for ACP discounts are listed at <https://www.accesswireless.com>.

Eligibility for the ACP is determined by the National Verifier and National Lifeline Accountability Database, administered by the Universal Service Administrative Company (USAC), or an alternative verification process approved by the FCC.

Your ACP discount benefit is separate from your Lifeline discount benefit. Your household can receive only one ACP benefit and one Lifeline benefit. Your ACP benefit can be separate or combined with your Lifeline benefit, depending on your choice and the service plan you choose. Lifeline participants may maintain their existing Lifeline services without enrolling in the ACP and may choose to take ACP benefits from another service provider.

If the FCC announces the end of the ACP, we discontinue our ACP service offers, you transfer your ACP benefits to another provider, or we determine your household is no longer eligible, we will notify you and you will revert to receiving the standard FREE Lifeline plan where available and if you are enrolled in Lifeline with Access Wireless and remain eligible. You may keep your service plan by paying the applicable undiscounted rate plus applicable fees and taxes.

If you select a plan that is not fully covered by applicable discounts and requires monthly post-payments (Access Wireless does not offer any such plans at this time), Access Wireless may disconnect your ACP-supported service after 90 consecutive days of non-payment on a post-paid plan.

A household may file a complaint against an ACP service provider via the FCC's Consumer Complaint Center.
